

What's Happening?

What a great New Year! We have already had two baptisms. Those of you who have been involved in the studies are seeing fruits of your efforts! It should not amaze us that God's word holds true: If we will plant and water, God will give the increase as he has promised! Congratulations to James, then later to Michelle for making the most important decision of their lives!

The Sunday afternoon service was presented by the young men of the congregation and was wonderful! Looks like we may produce some preachers as well! What amazed me most about them was how anxious they were to accept the responsibility. To those of you who were here to participate, I know I can say for the whole congregation, "We are proud of you!"

I have only received 2 logos to consider and the promise of one more. I am now going to plead with the parents of our youth. If you know your son or daughter has any creative talent at all (even just a small amount) get them busy on a logo, not only for the youth group, but something that will work for the congrega-tion as well! This logo will be used for the church stationary, my business cards, advertisements for the congregation, as well as the church web page. We want them all connected so that any time any one sees this logo they will associate it with the Lake Dallas Church of Christ just as much as "golden arches" are associated with McDonald's! It doesn't have to be anything incredible. In fact, simpler would probably be better! "Golden arches" are very simple, but everyone knows what they are!

The next youth Devo is scheduled for the Watson's tonight!

Love To All!
