

## Jesus' Granny

The little boy came home from his first day at Sunday School. He told his mother that his Sunday school teacher was Jesus' granny.

"How did you reach that conclusion?", his mother asked.

"Well, she never stops talking about Jesus," he replied.

We all need to be Jesus' grandparents from that perspective! Even under persecution, the first church in Jerusalem continued to talk about Jesus!

### Acts 8:3-4

*As for Saul, he made havoc of the church, entering every house, and dragging off men and women, committing them to prison. Therefore those who were scattered went everywhere preaching the word.*

There must have been a lot of people who claimed to be Jesus' grandparents! They just couldn't stop talking about Him!

I want to continue to remind you of our objective in the lessons that I have been teaching on Sunday morning. We want everyone to be closer to God, through Jesus! So, I have been talking about the scripture, the difference between the Old Testament and New Testament, and the church! We must now begin to think about passing the information on to others.

Today, we'll start talking about Worship! It's still about Jesus! It's still about encouraging our relationship with God and each other! At the end of this series, each team will begin to teach these lessons to others. At first it will be just for practice. Later it will be to those we have been planning on teaching. I hope each of you will want to participate in it somehow!

Love to all,  
Andy
