

Bound By The Word!

I imagine that most people think that being “tied down” is a bad thing or at least a negative thing. I hope to show you that sometimes it can be a good thing.

Ever ridden a roller coaster? Can you imagine (sure you can) what would happen if the roller coaster was not “tied down” somehow to the track?

Ever been sky diving? (Me neither) Can you imagine the jumper being okay with just hanging on to the chute when he jumped? He would want to be strapped into it!

Ever been in a car accident? Most people who die in car accidents are those who were not wearing seat belts. It is possible to be killed wearing your seat belt, but it is easier to be killed without it.

Being “tied down” can be a good thing. It is also true with the word of God. If we wander from the truth of God’s word, anything can happen, even death!

James 5:19-20 Brethren, if anyone among you wanders from the truth, and someone turns him back, let him know that he who turns a sinner from the error of his way will save a soul from death and cover a multitude of sins.

Please don’t live without the word of God! Live with it! Lean on it! Trust in it! Be bound by the word!

Love to all,
Andy
