

The Booster Song!

VBS is this week as you may already know! It will be a time for Bible stories and children's songs and decorating for the theme! I hope you are all looking forward to it!

I am really proud of our young people. I heard one of them make a comment, "The only thing we can remember from VBS in our childhood is the booster song! We need a different theme!" You may think, "Well, I LIKE the booster song!" That may be true, but I am proud of our young people for challenging themselves to something higher than a repetitious children's song!

Some need milk! Let's not leave that out, but others need more than the milk! Some need meat! Listen:

Hebrews 5:13-14 *For everyone who partakes only of milk is unskilled in the word of righteousness, for he is a babe. But solid food belongs to those who are of full age, that is, those who by reason of use have their senses exercised to discern both good and evil.*

Let's teach the children! And as we teach the children, let's be sure to learn and grow them and ourselves into something more mature! That, in fact, is what the church is about, making us all grow and mature more and more like Christ! Listen:

Ephesians 4:11-13 *And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, **for** the equipping of the saints for the work of ministry, **for** the edifying of the body of Christ, till we all come to the unity of the faith and of the knowledge of the Son of God, to a **perfect** ("mature" NIV) man, to the measure of the stature of the fullness of **Christ**;*

Love to all,
Andy
