

Just Throw It Away!

Do you know what it's like to keep anything for any length of time? If you do, you have to be from an older generation. Likely, you have said, "They don't make them like they used to!"

We live in a disposable world! Even large items that we thought would never be disposable have become so! Then again, just about everything in this world is disposable because it's all short-lived anyway.

Remember Jesus' words?

Matthew 6:19-21 *"Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal; but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also."*

Yet there's something else that we need to think about that is on this earth that will not be in heaven that is something we cannot simply throw away! Do you know what it is? It is temporary; yet, it is something, once obtained, we must keep for the rest of our lives!

If you have not figured it out yet, it is "our faith!" The Hebrew writer said it like this: *"Therefore do not cast away your confidence, which has great reward."* **Hebrews 10:35**, then later in **verse 39**, "we are not part of those who draw back to perdition, but of those who **believe** to the saving of the soul."

Yes, one day our faith will be no more. When Jesus comes we will have knowledge, not faith. But until he comes, please, *"Do not cast (throw) away your confidence"* that He will come and take us home with Him!

Love to all,
Andy
