

SOME PEOPLE ARE LIKE POTATOES

1. Some people are very bossy and like to tell everyone what to do, but of course they do not wish to soil their hands. You might call that type "Dick Tater."
2. Some people never seem to be motivated to participate. They are content to watch while others do. They are "Speck Taters."
3. Some people never do anything to help, but they are gifted at finding fault with the way others do things. They might be called "Comment Taters."
4. Some people are always looking for ways to cause problems. They look or others to agree with them. You call them "Aggie Taters."
5. Then there are those who always say they will, but somehow never get around to, doing anything. They are "Hezzie Taters."
6. Some people put on a front and act like they are someone they are not. They are "Emma Taters."
7. Still, there are those who live what they talk. They are always prepared to stop what they are doing to lend a hand. They bring real sunshine into others' lives. You might call them "Sweet Taters."
